

PURDUE UNIVERSITY
School of Pharmacy and Pharmaceutical Sciences

Plan of Study for the Prepharmacy Program
Indiana University-Purdue University Columbus

General Chemistry	Principles of Chemistry I	CHEM-C 105
	Experimental Chemistry I	CHEM-C 125
	Principles of Chemistry II	CHEM-C 106
	Experimental Chemistry II	CHEM-C 126
Organic Chemistry	Organic Chemistry I	CHEM-C 341
	Organic Chemistry Lab I	CHEM-C 343
	Organic Chemistry II	CHEM-C 342
	Organic Chemistry Lab II	CHEM-C 344
Biology	Concepts of Biology - Plants	BIOL-K 101
	Concepts of Biology - Animals	BIOL-K 103
Microbiology	Introduction to Microbiology	BIOL-N 251
	Human Anatomy	BIOL-N 261
Anatomy and Physiology	Human Physiology	BIOL-N 217
	Calculus for Technology I	MA 221
Calculus	Calculus for Technology II	MA 222
	Elementary Composition I	ENG-W 131
Composition	Elementary Composition II	ENG-W 132
	General Physics I	PHYS-P 218
Physics	Introduction to Microeconomics	ECON-E 201
Economics		

IUPUC does not grant a degree in pharmacy, however, prepharmacy requirements may be completed on this campus. This plan of study is specifically designed for students preparing to apply for admission to the Purdue University School of Pharmacy.

Before applying for admission to Purdue University School of Pharmacy and Pharmaceutical Sciences, you should contact the Office of Student Services (765) 494-1357, oss@pharmacy.purdue.edu for current and accurate information. You must use the Pharmacy College Application Service (www.pharmcas.org) to make application. Purdue does not require the Pharmacy College Admission Test (PCAT).

Interested students should call Student Services, IUPUC, (812) 348-7271 or call toll free 1-800-414-8782 extension 7271.

The information contained in this document is subject to change as a result of action by federal and/or state governments, the trustees of Purdue University, the administration of Purdue University and the faculty of the School of Pharmacy and Pharmaceutical Sciences.

GENERAL ELECTIVES

General electives are not required for admission but must be completed to qualify for graduation. You are encouraged to fulfill the general elective requirement as you progress through the prepharmacy curriculum. You must select a minimum of one (1) course from each of the following course groupings. Each group must have a minimum of three (3) credit hours and all chosen electives must be at a higher level than any core course in the prepharmacy plan of study.

Humanities and Behavioral Sciences (Group 1)

Anthropology
 Child Development & Family Sciences
 Communication
 English
 Foreign Languages & Literatures
 Health and Kinesiology
 History
 Interdisciplinary Studies – Liberal Arts
 Philosophy
 Political Science
 Psychology
 Sociology
 Speech, Language, & Hearing Sciences
 Visual & Performing Arts

Business and Administration (Group 2)

Agricultural Economics
 Consumer Sciences & Retailing
 Economics
 Hospitality & Tourism Management
 Management
 Organizational Leadership & Supervision

Science and Technology (Group 3)

Agronomy	Astronomy
Biochemistry	Biology
Botany	Chemistry
Computer Science	Computer Technology
Earth & Atmospheric Sciences	Entomology
Food Science	Foods & Nutrition
Forestry & Natural Resources	Horticulture
Mathematics	Physics
Statistics
