Dean's Leadership and Innovation Forum

The Dean’s Pharmacy Leadership and Innovation Forum hosts several outstanding alumni and friends of Purdue Pharmacy each spring semester. The Forum, designed to introduce students to emerging trends and career opportunities in pharmacy and the pharmaceutical sciences through exposure to leaders in professional and corporate environments, provides an opportunity for the exchange of ideas and promotes greater understanding of leadership in the profession of pharmacy. Students benefit from the varied experiences of the guest lecturers, and the lecturers enjoy the lively exchange of questions and answers by well-informed students. The College of Pharmacy is pleased to recognize the following guest lecturers.
