Give to Pharmacy

Make a gift, and make a difference!

Ever True: The Campaign for Purdue University

College of Pharmacy Campaign Initiatives

Reduce Student Debt
The cost of education and the related issue of student loan debt is at the forefront.

**Recruit and Retain the Best Faculty**

No program rises above the quality of its faculty. They serve as the distinctive driving force behind highly regarded programs, and the Purdue College of Pharmacy is well known for its quality faculty and their longstanding impact on students. Recruiting and retaining top-tier faculty is of utmost importance to continue our tradition of excellence. Endowed professorships provide an important resource in the recruitment and retention of a high-quality faculty.

**Plan for the Future**

**Dual-Purpose Endowments.**

These endowments fund a major facility expansion, renovation, or new construction while simultaneously establishing scholarships, supporting faculty, or providing special programs.

**Planned Gifts.**

A planned gift will leave a legacy that impacts future generations of Purdue students by ensuring that the College has the resources it needs to sustain excellence. A bequest, the simplest and most popular type of planned gift, presents individuals with a wonderful opportunity to support the College without sacrificing assets during their lifetime. Additional opportunities exist to provide a lifetime income stream, an immediate income tax deduction, and/or possible favorable treatment of capital gains taxes.

**Unrestricted Gifts.**

These gifts allow the College maximum flexibility in responding to unexpected needs and opportunities. For example, these flexible funds enable the College to send students to compete nationally and display their skills at conferences, modernize classrooms with cutting-edge technology, and invite guest speakers to campus.
On Wednesday, April 26, 2017, we come together for the annual Purdue Day of Giving, a university-wide effort to build a better, stronger, more affordable Purdue. For 24 hours, students, alumni, faculty, staff, parents, and friends came together to grant opportunities and transform lives. You helped the Purdue College of Pharmacy fill our prescription for success, and we are ever grateful! Join us again on Wednesday, April 25, 2018, to support Pharmacy during next year's Purdue Day of Giving!

THANK YOU from the Purdue College of Pharmacy!
THANK YOU from Purdue University!
