

## Give to Pharmacy

### **Make a gift, and make a difference!**

Great things happen when our Purdue Pharmacy Family comes together! With your support, not only do you invest in the future of our students but you invest in the future of our College. Every gift, regardless of size, allows us to fully realize our vision of being bold leaders, moving together to the highest level of excellence in learning, discovery and patient care. Your continued support is the best prescription for our success.

### **Dean's Excellence Fund in Pharmacy**

These gifts allow the College maximum flexibility in responding to unexpected needs and opportunities. For example, these flexible funds enable the College to send students to compete nationally and display their skills at conferences, modernize classrooms with cutting-edge technology, and invite guest speakers to campus extend support for a deserving, diverse population of students that will continue the College's pursuit to lower the level of student debt.

### **Pharmacy Scholarships**

The cost of education and the related issue of student loan debt is at the forefront of issues of concern in higher education. With your partnership, we can strategically extend support for a deserving, diverse population of students that will continue the College's pursuit to lower the level of student debt. Gifts to the Pharmacy Scholarships fund allow the College to award scholarships to our students.

### **Pharmacy Diversity Initiatives**

The College prides itself on being a world-class institution and strives to "promote human and intellectual diversity by providing equal access and opportunity to representatives of a rich variety of populations and cultures. Gifts to the College's Diversity Initiatives will help progress excellence in the program's four key areas:

1. College commitment
2. Recruitment, retention and success
3. Campus climate and intergroup relations
4. Education, scholarship and research
