

## **Policies and Regulations Manual for Graduate Students and Postdoctoral Staff**

The College of Pharmacy has issued this Manual, containing policies that cover all graduate students and postdoctoral staff within the College. Graduate students are also governed at the University level and at the College and departmental levels by policies set by their individual College and/or department (see below). Note that a number of University-level policies are reiterated in the College-level manual for convenience.

- [Policies and Regulations Manual for Graduate Students and Postdoctoral Staff](#)
- Appendices:
  - [Appendix 1 - Policies for Graduate Staff](#)
  - [Appendix 2 - Research Proposal Certification](#)
  - [Appendix 3 - GS Form 12](#) - Request for Ph.D. Degree Candidate Research in Absentia
  - [Appendix 4 - Safety rules and special instructions](#)
  - [Appendix 5 - Emergencies](#) (Excerpted from Purdue Chemical Hygiene Plan)
  - [Appendix 6 - Tornado safety](#) - policies and procedures

### **Other relevant policies:**

- **Purdue Graduate School:**
  - [Policies and Procedures Manual for Administering Graduate Student Programs](#)
  - [Graduate Student Employment Manual](#)
  - [Graduate School Fellowship Manual](#)
- **Departments within the College of Pharmacy:**
  - Department of Industrial and Physical Pharmacy: [Guidelines for Graduate Study](#)
  - Department of Medicinal Chemistry and Molecular Pharmacology: Ph.D. Graduate Program Policies and Procedures:
    - [for students admitted Fall 2014 and later](#)
    - [for students admitted Fall 2013 and earlier](#)
  - Department of Pharmacy Practice: [Policy Manual for the Administration of Graduate Programs](#)
