

Purdue Foundry, Wasson Enterprise partner to create impact with Purdue innovations

August 25, 2016 - [Wasson Enterprise](#) has partnered with the [Purdue Foundry](#) to help identify new ideas and technologies to accelerate bringing innovations to the marketplace. Purdue Pharmacy alumnus **Greg Wasson (BS 1981)** is the co-founder and president of Wasson Enterprise, a family-based investment firm in Chicago that leverages family member skill sets to create new businesses, invests in early stage startups, and advises current businesses.
