

Virtual

The global outbreak of COVID-19 continues to warrant our attention as we work to protect the health and safety of the Purdue community. We are implementing a number of actions intended to slow the spread of the virus and protect the health of our Purdue community and any visitors to our campus. Please visit the [Purdue University COVID-19 website](#) for up-to-date information regarding things our Purdue community needs to know about COVID-19.

COLLEGE OF PHARMACY VIDEOS

If you haven't already, you can accept your offer to the Purdue College of Pharmacy [here](#)
