

Medication Safety Research Network of Indiana (Rx-SafeNet)

Grant Application Policy

- References to collaboration with Rx-SafeNet in grant applications or other documents must be approved by the Program Manager's office or follow existing network policies.
- All projects that have been approved for conduct within Rx-SafeNet must either have funding, or have use of network resources approved by the Program Manager, prior to project commencement.
- Project budgets must include, as appropriate, funds for use of Rx-SafeNet resources, including staff time for project management, practitioner time for study activities, etc.
