

Medication Safety Research Network of Indiana (Rx-SafeNet)

Grant Application Policy

- Letters of support for grant applications will be issued to the PI at the discretion of the Network Director after submission of a [Request to Collaborate Form](#).
- References to collaboration with Rx-SafeNet in grant applications or other documents must be approved by the Network Director's office and/or follow other existing network policies.
- All projects that have been approved for conduct within Rx-SafeNet must either have funding, or have use of Network resources approved by the Network Director, prior to recruitment.
- Project budgets must include, as appropriate, funds for use of Rx-SafeNet resources, including staff time for project management, practitioner time for study activities, etc.
- Project grant/contract funding must be reported to Rx-SafeNet through our [Funding Query Form](#).
