### General Chemistry
- Principles of Chemistry I
- Principles of Chemistry II
- Experimental Chemistry Lab I
- Experimental Chemistry Lab II

### Organic Chemistry
- Organic Chemistry I
- Organic Chemistry II
- Organic Chemistry Lab I
- Organic Chemistry Lab II

### Biochemistry
- Biochemistry

### Biology
- Concepts of Biology I - Plants
- Concepts of Biology II - Animals

### Microbiology
- Microbiology
- Microbiology Lab

### Anatomy and Physiology
- Human Anatomy
- Human Physiology

### Calculus
- Calculus for the Life Sciences I
- Calculus for Medical Professions

### Statistics
- Elementary Statistical Methods I
- Elementary Statistical Methods II

### English/Writing
- Reading, Writing, and Inquiry I
- Fundamentals of Speech Communication

### Physics
- General Physics I
- General Physics II

### Economics
- Survey of Econ. Issues & Problems
- Fundamentals of Economic Behavior

### Communications
- Fund. of Speech Communication

### Immunology (RECOMMENDED)
- Immunology

### Genetics
- Genetics & Molecular Biology

### Cancer Biology
- Molecular Biology of Cancer

### Molecular Biology
- Principles of Molecular Biology

### Cellular Biology
- Cell Biology

### Others

- **CHEM C 484 may be substituted for BIOL K 384**
- **BIOL 56100 may be substituted for BIOL K 338 by permission**
- **MA 22100, MATH 24100 or MA 16500 may be substituted for MA 23100**
- **PSY B 305, ECON E 270, SPEA K 300, or STAT 35000 may be substituted for STAT 30100**
- **ECON E 201 or ECON E 202 may be substituted for ECON E 101**

---

**A minimum total of 62 credit hours (includes advanced placement, department credit, pass/not pass, etc.) is required to meet admission requirements. A minimum total of 72 credit hours is required to be eligible for professional financial aid (including loans).**

This plan of study is specifically designed for IUPUI students preparing to apply for admission to the Doctor of Pharmacy program at Purdue University College of Pharmacy. Additional information about the College and professional program admissions is located at www.pharmacy.purdue.edu

Before applying for admission to Purdue University College of Pharmacy, you should contact the Office of Student Services, (765) 496-6885, pharmacy-oss@purdue.edu, for current and accurate information. You must use the Pharmacy College Application Service (PharmCAS, www.pharmcas.org) to make application. Purdue does not require the Pharmacy College Admission Test (PCAT).
