Before applying for admission to Purdue University College of Pharmacy, you should contact the Office of Student Services, (765) 496-6885, pharmacy-oss@purdue.edu, for current and accurate information. You must use the Pharmacy College Application Service (PharmCAS, www.pharmcas.org) to make application. Purdue does not require the Pharmacy College Admission Test (PCAT).

This plan of study is specifically designed for Indiana University-Northwest students preparing to apply for admission to the Doctor of Pharmacy program at Purdue University College of Pharmacy. Additional information about the College and professional program admissions is located at www.pharmacy.purdue.edu.

A minimum total of 62 credit hours (includes advanced placement, department credit, pass/not pass, etc.) is required to meet admission requirements. A minimum of 72 credit hours is required to qualify for professional financial aid (including loans).

Revised: March 2024

**General Chemistry**
- Principles of Chemistry I  
- Experimental Chemistry I  
- Principles of Chemistry II  
- Experimental Chemistry II  

**Organic Chemistry**
- Organic Chemistry I  
- Organic Chemistry Lab I  
- Organic Chemistry II  
- Organic Chemistry Lab II  

**Biochemistry**
- Biomolecules and Catabolism  

**Biology**
- Introduction to Biological Sciences I  
- Introduction to Biological Sciences II  

**Microbiology**
- Microbiology (with lab)  

**Anatomy and Physiology**
- Human Anatomy & Physiology I  
- Human Anatomy & Physiology II  

**Physics**
- General Physics I  
- Calculus  
- Statistics  
- English/Writing  
- Economics  
- Communications  

**Social Science/Humanities**
- Prefer a course in philosophy, logic, ethics, intercultural communications  

One of the following:

**Immunology (RECOMMENDED)**
- Principles of Immunology  

**Genetics**
- Genetics  

**Cancer Biology**
- Equivalency Unavailable  

**Molecular Biology**
- Molecular Biology  

**Cellular Biology**
- Cell Biology  

* BIOL-M 200 (Microorganism in Nature & Disease with lab) may be substituted for BIOL-M 310  
** BIOL-L 302 (Topics in Human Biology Immunology) may be substituted for BIOL-L 321  
*** PHYS-P 221 (Physics I) may be substituted for PHYS-P 201  
**** MATH-K 300 (Introductory Statistics) may be substituted for PSY-K 300  
***** ECON-E 103 (Introduction to Microeconomics) may be substituted for ECON-E 104  

A minimum total of 62 credit hours (includes advanced placement, department credit, pass/not pass, etc.) is required to meet admission requirements. A minimum of 72 credit hours is required to qualify for professional financial aid (including loans).

This plan of study has been prepared with the assistance of Dr. Michael LaPointe, Director, Pre-Health Professions Program, Indiana University-Northwest, 219-980-7196, mslapoin@iun.edu
