

# BoilerConnect Appointment System

## **Did You Know?**

You can now access BoilerConnect on your Brightspace student homepage under Campus Resources! You can meet with a variety of offices including, but not limited to:

- 1) Your assigned academic advisor or any advisor in the College of Pharmacy (under reason for appointment you will select "See Non-Assigned Advisor").
- 2) Almost all Student Success Programs on Purdue's WL campus
- 3) CCO and Pre-Professional Advising
- 4) Student Life departments including Civic Engagement & Leadership Development, Student Activities & Organizations, Wellness Menotrs, and Financial Wellness
- 5) The Office of Undergraduate Research
- 6) Summer Session
- 7) Honors Advising and the National & International Scholarships Office (NISO)

Students are strongly encouraged to make appointments to meet with their assigned advisor using [Boiler Connect](#). Making an appointment via Boiler Connect ensures a dedicated mutual meeting time in which you can work with the advisor that knows you and your academic goals best.

## **Scheduling Tips:**

**Academic Advising:** Meet with an Academic Advisor to discuss your courses, academic performance, personal concerns, graduate school, Pharm D admissions requirements, and questions that you do not know how to find the answer to.

**Career Advising:** You can speak with your Academic Advisor and we will share all we know. You can also schedule an appointment with Dr. Arnett. You can learn about Co-Ops, internships, resume/CV and cover letter writing, and interview tips and techniques.

**To schedule an appointment with Ms. Martin-Murphy:** Choose "Diversity Issue/Question" as the reason for your visit. If Ms. Martin-Murphy is your advisor, you can choose any reason as appropriate for the reason for your visit.

**To schedule an appointment with Dr. Arnett:** Select "Career Advising" as the reason for your visit. You can then select Dr. Arnett as the person you would like to meet with.
