Students complete one four week rotation either in July, August or January. IPLA #5 will be completed in conjunction with IPPE.

Students complete a total of ten - four week rotations over the course of eleven months, beginning in May and ending the following April. Generally, students complete two rotations in the summer and four rotations in each subsequent semester. The final IPE 1 requirements will be completed in conjunction with APPE rotations.

This plan of study represents one option for completing degree requirements. Please meet with a College of Pharmacy academic advisor to determine the most appropriate plan of study.

1. Optional/Strongly recommended for WL Campus Students
2. Credits may vary; consult with advisor recommended
3. Must have cumulative GPA of 2.5 or higher to enroll
4. Semester 1 or 2
5. Final IPE requirement will be listed on myPurduePlan as a

1 See reverse for information regarding Pharm.D. admissions requirements. Students who change their Purdue educational goal from pre-doctor of pharmacy to a bachelor's degree will be required to complete University Undergraduate Core Curriculum (UCC)
What makes an ideal candidate for the Pharm.D. Program?
