

Fall 2020 Planning Tips

University Resources

- [Purdue University Innovative Learning Page](#)
 - [PoRTAL: Purdue Repository for online Teaching and Learning](#)
 - [Teaching Remotely Overview](#)
- [Purdue University Instructional Technology](#)
- [IMPACT X Access](#)
 - An asynchronous, online, professional development program designed to help you think about the way in which you design a course, specifically within the Brightspace Learning Management System, with the overarching goal of creating student-centered learning environments.
 - Course Archetypes/Exemplars available in Impact X Access
 - Large class
 - Lab-intensive
 - Writing-intensive,
 - Team/project/discussion based
 - Experiential/field/clinical

University Tools

- [Circuit](#)
 - peer review tool (with calibration option)
 - includes for documents, videos, etc.
 - creates peer groups (groups of 3)
 - allows for rubric use
 - exports scores
 - Teaching and Learning Technology Set-Up: tlt@purdue.edu
- [Hotseat](#)
 - classroom response system
 - free to students and available on multiple devices (computer, tablet, and phone)
 - use for student participation, student Q&A, “muddiest” point assessment, classroom polling
 - integrates with Brightspace
 - used for both in-person and online learning
 - Teaching and Learning Technology (TLT) Set-Up: tlt@purdue.edu; Amy Haston (alh@purdue.edu)
- [iClicker](#)
 - classroom response system
 - requires student purchase of an iClicker to participate
 - use for quick and brief assessments, student participation, and classroom polling
 - integrates with Brightspace
 - best used for in-person classes and not online learning

- Teaching and Learning Technology (TLT) Set-Up: tlt@purdue.edu; Amy Haston (alh@purdue.edu)
- [Replay](#)
 - uses game-like interface
 - focus on low stakes quizzes
 - integrates into Brightspace
 - Teaching and Learning Technology (TLT) Set-Up: tlt@purdue.edu; Howard Fooksman (hfooksma@purdue.edu)
- [Qualtrics](#)
 - survey platform
 - self-assessments, surveys, etc.
 - can view who has completed assessment without the student being linked to the assessment
